

PCA-6104P4

PCA-6105P5

4-slot PCI Passive Backplane

5-slot PCI Passive Backplane

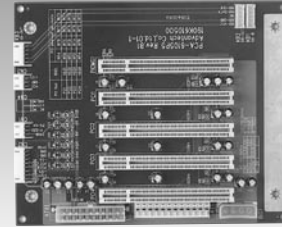

PCA-6104P4-OB1

Features

- 4-slot PCI passive backplane
- 4-layer PCB with ground and power planes for reduced noise and lower power supply impedance
- AT power connectors (ATX optional)
- LED power indicators for +5 V & +12 V
- Size: 110 mm x 180 mm (4.3" x 7")

Ordering Information

- **1 x PCA-6104P4-OB1** 4-slot PCI Passive Backplane

PCA-6105P5-OB1

Features

- 5-slot PCI passive backplane
- 4-layer PCB with ground and power planes for reduced noise and lower power supply impedance
- AT power connector
- LED power indicators for +5 V, -5 V, +12 V, -12 V
- Size: 143 mm x 155 mm (5.6" x 6")

Ordering Information

- **1 x PCA-6105P5-OB1** 5-slot PCI Passive Backplane
